#### **ANZAC DAY 2015 - MELBOURNE**

ANZAC Day 2015 marks the centenary of the landing at Gallipoli on 25 April 1915. Organisers are anticipating 10,000 for the Dawn Service and over 100,000 for the march. This will be a remarkable opportunity to honour & remember all the men and women who served this country for the freedom we enjoy today. For safety and public awareness, the organisers have provided the following March Protocol and check list:

- The march commences at 9.00am. Members participating in the March should be at their assembly point by 8.45am. Please don't join or leave the march other than at the Assembly or Disposal points.
- The assembly area for the Navy is Flinders Street (west) between Swanston and Elizabeth Streets (opposite the Station). Look for your ship's banner.
- All WWII veterans participating will ride in vehicles provided for them.
- Descendants should be old enough to march the full distance (1.8 Km) without assistance.
- Marchers should form up 6 abreast, unless otherwise advised by a March official.
- Veterans wear medals on their left hand side.
   Descendants wear medals on right hand side.
- Attire should be neat and tidy out of respect to the fallen (torn denim, sporting attire, dirty joggers etc are not appreciated).
- Carrying pictures is not permitted.
- When approaching the Eternal Flame; hats off, right hand over your heart, and 'eyes right' until your unit passes the Eternal Flame.

At the conclusion of the March, we will join at the WESTRALIA, MANOORA and KANIMBLA AMC/LSI Memorial Tree (located behind the Shrine) to remember our deceased shipmates. Following the Service, a 'Get Together' will be at the Gateway Bistro, 312 St Kilda Road south of Victoria Barracks.

The Order of March, especially for the WW1s, will be different to previous years as will be the traffic conditions and public transport. Please refer to <a href="www.anzaccentenary.vic.gov.au">www.anzaccentenary.vic.gov.au</a> for details.

## What does AMC/LSI represent?

AMC/LSI is the acronym for Armed Merchant Cruiser/Landing Ship Infantry — of which HMAS WESTRALIA, MANOORA and KANMBLA are classified by the navy.

Our association is a not-for profit group of volunteers who operate with the passion and desire to honour and preserve the memory of those gone before us. It is hoped that our intentions will benefit veterans, descendants, serving members and indeed the larger community.

We don't ask for membership fees, so with enormous thanks we acknowledge the following generous donations received since our last newsletter:

- Jeff Lovegrove
- Bronwyn Lovegrove
- Bruce Candy
- Kanimbla Assoc Inc.

We are heartened and encouraged by the positive feedback we've received from veterans, descendants and numerous navy associations.

Our mail list is growing and managing the database is a big job as is merchandising, research and archival projects. If you would like to be part of this in any way, please don't hesitate to contact us.

# Tribute to Alan Hooley 17. Jan 1924 - 22. Jan 2015

**Leading Writer** 

Vice President & Honorary Secretary of HMAS WESTRALIA Assoc. Patron of AMC/LSI Vic Association

The AMC/LSI Vic Association lost one of its founding Patrons this year. Alan Hooley along with Bruce Candy was instrumental in helping get our Association off the ground. Alan provided us with many stories of his time on HMAS WESTRALIA and was always willing to lend a hand when needed. Without his and Bruce's patronage we would not have been able to continue our Association. Alan will be sadly missed. While we may have lost him as our Patron – his inspiration will ensure that our Association meets its pledge to honour and remember all who served on HMAS WESTRALIA, KANIMBLA & MANOORA.

The majority of Alan's naval career was spent on HMAS WESTRALIA where he rose to the rank of Leading Writer. During that time HMAS WESTRALIA was engaged in several strategic troop landings which contributed to the allied effort re-taking important islands and ports. Alan's discipline, accuracy, thoroughness and attention to detail were noted by the Navy records as 'superior' in efficiency. His work ethic was a quality that served him well in various administration positions throughout his professional career.

After the war, the HMAS WESTRALIA ASSOCIATION was formed and Alan took on the Assistant Secretary position for many years until around 1996 he accepted the Honorary Secretary position. His organisational skills come to the fore ensuring reunions, wreath ceremonies, ANZAC DAY marches and the Flag ceremony were well represented with all WESTRALIA veterans invited to attend. Each newsletter produced would share wonderful stories from times gone by but always focussed on remembering those that had served and their great sacrifice.

Alan had a passion for history, acquiring navy memorabilia that served him well as convenor of the Naval Table at the Athenaeum Club. He was driven by the desire to preserve our heritage and to make sure that the sacrifices that were made by our service personnel are never forgotten. During his tenure as Honorary Secretary for HMAS WESTRALIA he planned and arranged for the installation of a stained glass window at the Chapel of St Mark at HMAS CERBERUS.

In his informative memoir written in 2004 he wrote about his time in the Navy, concluding with:

"To sum it all up, the four years and nine months I spent as a sailor in the Royal Australian Navy was a phase of my life which I will always hold very dearly. The bonds which held us all together in those dark days of World War 2 and the memories that go with them are as strong today as they ever were."

God bless you, Alan Hooley.

## Fly the Flag Ceremony - 15 Dec 2014

Big 'thank you' to the veterans who were able to attend this ceremony; Bruce Candy, Jim Guest, Hiram Ristrom & Norm Tame. We acknowledge the super effort that is required to make it to these events. We are immeasurably grateful to Sibella Guest for bringing her father to the ceremony — as unbeknown to us all this was to be the last time we would see our dear friend, Jim Guest.

Dr Jim Guest, Bruce Candy, Hiram Ristrom

It was greatly appreciated to see the involvement from Assistant Principal Barbara Nicoll and her student representatives; Liam, Stephanie and Sam, from the Great Ryrie Primary School. The students participated in the wreath laying ceremony in the sanctuary of the Shrine of Remembrance with dignity and reverence. Their school community can be so proud of them.

Besides members of the general public, we had a total of 22 attend the service with descendents representing Lord, Weedon, de Villier, Lovegrove, Lewis, Harvey, Hosking, Tyner as well as Lee Molesworth from DEMS.

## **HMAS ASSAULT**

Back row: Steve Cunningham, Julie Tame, Hiram Ristrom, Norm Tame & Ted Brooks Front row: Doug Pain, Betty Pain & their daughter Andrea Brooks

Many of the men who served on HMAS WESTRALIA, MANOORA and KANIMBLA did further training at HMAS ASSAULT. The love and camaraderie they share extends beyond any time, limitation or boundary.

HMAS ASSAULT enjoyed a three hour lunch at Bentleigh RSL Club on 2<sup>nd</sup> March 2015.

HMS-HMAS KANIMBLA Assoc Inc is in the process of winding up. Their President, Hiram Ristrom, has and still is doing an amazing job. He is a wealth of information, so switched on, remembers everything and everybody. He is like the 'eveready battery that just keeps on keeping on'. He's not made of Lithium though ... he's made of selfless love that shares and cares for his fellow ship mates and their families. His last newsletter is one you will never want to lose — a 24 page masterpiece of valuable current and historic information. He enjoys wonderful support from his members ... no wonder ... everyone loves Hiram.

There will be a 'KANIMBLA Pre ANZAC Day Lunch' on 24<sup>th</sup> April 2015 at 12 noon, Bentleigh RSL Club.

Hiram is still at the helm during this transitional period so kindly RSVP him by 17 April 2015.
