

DVA White & Gold Card Holders can have EMERGENCY ID MEDICAL ALERTS PAID FOR BY DVA

To whom it may concern,

My name is Nicole Graham, I am the Founder & Director of Emergency ID Australia. I believe our range of world class Emergency ID and medical alerts could be of **huge benefit to your members**.

As you are aware, the rate of veterans with medical needs is high. Emergency ID can hold information that is vitally important in an emergency situation. Emergency Services and medical professionals are trained to seek out emergency identification to obtain VITAL information about the patient which could assist in both their treatment and contacting their next of kin.

Emergency ID have developed a "DVA Pack" specifically for Department of Veteran's Affairs clients. The pack includes:

- **Emergency ID Bracelet medallion and chain of their choice. PLUS,**
- **Emergency ID Necklace medallion and necklace chain of their choice. PLUS,**
Both these quality jewellery items are CUSTOM engraved (as they choose) with their most urgent medical and emergency information.
- **2 x Emergency ID Write-On Wallet Cards. PLUS,**
- **12 month warranty on bracelet & necklace medallion - suitable for 24hr wear - even in the water - showers, chlorine, spas and ocean!**

Ordering any of our products is easy; simply visit our website emergencyid.com.au and navigate to the "All Products (SHOPPING)" tab, then to the "VALUE PACKS + DVA" drop down box, or call [03 6381 1223](tel:0363811223) to speak to our helpful and highly professional trained staff.

I have included a few brochures showing a SMALL part of our range, however we have MANY more products which can be seen online. If you feel these products would benefit your members as much as I do, please let them know of this benefit to them. More brochures can be provided if you need them.

It is a very simple process for DVA White & Gold Card Holders to select their Emergency ID. We will organise FULL PAYMENT BY DVA on their behalf. The pack above is valued at \$139, so we would like to see as many DVA Card Holders benefit from wearing & carrying vital Emergency ID, to assist in ensuring they receive the correct medical and emergency treatment when needed, relaying vital information, when perhaps they cannot.

Kind Regards,

Nicole Graham

SPOT

EMERGENCY ID SPOT

In an emergency, minutes matter. Emergency Services need to make critical decisions about how best to treat you.

Never underestimate the importance of providing quick access to vital information about your medical conditions, medications, allergies and who needs to be contacted. The Emergency ID SPOT provides a simple solution for an important need.

Included in each Emergency ID Spot pack:

- 2 x Emergency ID Spot Stickers;
- 1 Emergency ID information Card - YOU write on information YOU WANT known in an emergency;
- 1 slide lock PVC pouch with quality self adhesive double sided tape on the rear to attach to your fridge, glove box or sun visor;
- Step by step information brochure.

\$9⁹⁵
